alchemist

We started this bar because we had a hard time finding that true home away from home. That place where everyone is welcomed as long as you come with an open mind. Our goal is to create a sense of comfort and knowledge for everyone involved, whether that be us bringing new spirits and cocktails to you, or you to us.

We are here for journeys of the spirit and mind, that in the end leave our minds and spirits altered. In the words of that one guy, "with great cocktails comes great drunk-sponsibility"... you know the one. We are eager to grow, learn and share our knowledge with you. We cannot wait to expand the depth of your love of cocktails as well as our own.

See you at the Bottom of the Rabbit Hole,

-Your Friends at Alchemist
